

## IMCA NORTHERN SPORT MOD SHOCK PACKAGE

### 15,20 or 15 BV Series Shocks

*Dear Northern Sport Mod Drivers,*

*There are many options in which we can build and many different degrees of rebound, to determine what is best for you we need to talk about your program and what you are looking for or like in a race car. Listed below is one option that we do that helps the car turn in the center.*

*Tie down package:*

- RF1-50+130 @ 100 psi
- RF1-75+130 @ 100 psi
- LF-Black @ 100 psi
- LF1-40 @ 100 psi
- RR-N @ 100 psi
- LR1-40-350 SRT @ 175

*Cost on a B Mod style shock package for the 20 Series is \$200.00 ea shock and for the Base Valve version is \$275.00 ea. Remember if you want the most from your shock package you need to match it up with a good set of springs.*
