

PERFORMANCE DRIVEN

15 SERIES GAS SHOCK

2019 Durrence Layne National Champion
Mike Lane

STREET STOCK

15 Series BSB Black Shock is Durrence Layne legal in both Sportsman and Street Stock. The 1.812 honed bore allows for consistent feel and performance all season long without shock fade. This shock can come in any valving that you desire from mild to wild, so if you are looking for big tie down or stiff LR this is your shock. Also available in Base Valve and or Elite Series, see web site for more info. Custom valve shocks are a track proven winning combination with the results to prove it.
